

### Privacy Policy

We are committed to protecting your privacy. The credit card information provided by you to Schuler's will be stored in a confidential manner. Our employees may access such information only when there is an appropriate business reason to do so, such as when a refund must be issued back to the credit card. We maintain physical and electronic safeguards to protect your information, and our employees are required to follow these privacy standards.

### Security Policy

Schuler's does not disclose any non-public information (such as credit card number and their expiration dates) about our customers or former customers to anyone, except as required by law. Information may also be disclosed for audit purposes, to regulatory agencies or for other general administrative services. We do not disclose information about you to other entities.

### Refund Policy

In the event that an item purchased with a credit card is returned, the retailer will issue a refund to your credit card account instead of issuing funds directly to you. Remember, the merchant is actually paid by the credit card issuer during a credit card transaction and not by the consumer.

### Shipping Policy

Please be assured that your item(s) will ship out within two days of purchase. We use the U.S. Postal Service, unless a guest requests that we use another carrier. In that case, the guest may be required to pay an upcharge for that carrier.
